2025 Team Charter

World Cup-on-Sea is now in its 5th year, aiming to raise vital funds for the YMCA. The YMCA is an outstanding charity and housing provider based in Southend on Sea and working throughout Essex.

The charity work with children, young people, families and the wider community to help transform their lives. Amongst other things, Southend's YMCA have provided 12,775 nights of accommodation for young people in need, as well as vital youth, community and mental health work.

World Cup-on-Sea will directly contribute to this fantastic work. Our target this year is to raise £50,000 for this incredible cause, which we only achieve with your help and support.

Whilst raising funds for the YMCA is our primary objective, as a Corporate-only tournament, we are also aiming to bring together 32 professional businesses for an amazing day of sport, fundraising and networking.

WCOS commitment

Our commitment is that we will host a fun, engaging and competitive football tournament at Roots Hall, perfect for staff engagement and socialising. We commit that we will raise as much money as possible for the YMCA.

This will be in a World Cup format, featuring 32 businesses.
